TEAM SCORING

Due to a board of control (PIAA) decision on July 22, 1993, the State Championships will determine team scores by "re-ranking". Our District Meet also will "re-rank" to determine the team scores. (All competitors who finish the race shall be ranked and tallied in accordance with their place of finish. The team score shall then be determined by totaling the points scored by the first five (5) finishers of each team. The team which scores the smallest number of points is the winner. If fewer than five (5) competitors of a team finish, the places of all members of that team shall be disregarded and the team scores "re-ranked".)

COURSE MARKINGS

The course will again be marked with directional flags + posts and a painted double white line.

Flag Designations: *Red Flag - - - Turn to the Left*
Yellow Flag - Turn to the Right
