RE: District III M&T Bank 2014 Field Hockey Tournament

Conditions Of Entry Into District III Championship

District III member schools are not required to enter a team into District III Championship events. Entry and participation in the 2014 Field Hockey Championships is voluntary. Entry of a team signifies that the member school accepts the conditions and provisions that are described below. Furthermore, a member school accepts the fact that the chairman reserves the right to make changes in the management and operation of the championships, in his judgment; it becomes necessary to do so.

General Instructions

There are two classes in field hockey for 2013. Each class (**AA, AAA**) will have a 20-team bracket. The power ranking system will seed the top 20 teams in each classification. **The tournament will be limited to 20 teams according to the power rated formula. The top 12 seeds will not play in a preliminary game.** A minimum of 9 games must be played against PIAA opponents. Games against non-PIAA opponents will not count toward your power rating. Those games (non PIAA opponents) will not be included in the calculation of the power rating. **The teams will be seeded using a power rating system and the last playing date for games to count is Wednesday, October 15, 2014.**

Playing Dates

All preliminary games, AA, AAA will be played on Saturday, October 18, 2014. First round AA and AAA games will begin on Tuesday, October 21, 2014. Second round games will be played on Saturday, October 25, 2014, Semi-Finals and Consolations on Tuesday, October 28, 2014, and the Finals and Consolations on Saturday, November 1, 2014. The state tournament playing dates are November 4, 8, 13, 15. District III will send (5) AA teams and **(4) AAA teams** to the state tournament. We will attempt to play all games on the scheduled dates. In case of inclement weather, the game manager and field hockey chairman will make the final decision to play or postpone the game.

The District III Committee will alter established game times to avoid conflicts with school graduation, baccalaureate and state or federal testing. For all other school conflicts such as dances, homecoming, banquets, et. al., the District III Committee will only alter times if facilities and game workers are available and all schools involved mutually agree to the time adjustment.

Game Supervision/Pre/Game Meeting

The principal or designee **MUST** identify him/herself to the game manager on the field thirty (30) minutes prior to the start of the game and is required to participate in the pre-game meeting conducted by the game manager 10 minutes prior to game time. He/she must remain within the team or spectator area during the game, and report to the playing area after the game, remaining until the teams have left the playing area.

Preliminary Games

If there are more than 16 teams in any class who enter the tournament, then #17 will play #16; #18 will play #15, #19 will play #14, and #20 will play #13. Since 20 teams are the limit in each classification.

All preliminary games will be played on synthetic turf fields. Games will be played at 1:00 PM and 3:00 PM on the school's turf fields. The remaining rounds will be played on synthetic turf fields.
