NOTE: Scholastic throwers used the collegiate discus (2 kilos) until 1939 when an interscholastic discus of 1.6 kilos was adopted for use. The weight for scholastic discus has been unchanged since 1939. Robert Cornman of John Harris and Johnson of Hummelstown are recognized as the retired record-holders of the 2.0 kilo discus District 3 meet records.

NOTE: The weight placement of the javelin was altered in 2002 by national rule. The National Federation of High Schools recognized throws using the newly weighted javelin as record throws. Thus Scott Hagy's Class AAA throw of 219-4 in 1966 and Troy Burkholder's throw of 238-1 in 1995 stand as "old" records under the previous weighting standard but will remain on the books. Record throws after the year 2002 will be considered "new" records. The actual weight of the javelin was not changed by the new weighting standard.
