The primary method of communicating with District III is via email to Rod Frisco, Webmaster, Director of Corporate Sponsorships and Director of Communications.

Please contact Rod using either of the two following email addresses:

d3piaa@piaa.org tripletdad1@comcast.net

We welcome questions, comments or suggestions regarding the PIAA District III website, power rankings, policies and operations. We strive to respond any communication as soon as possible. Please keep in mind that we cannot always respond immediately.

Certain inquiries might be directed to the appropriate District III Committee sports chairman or member depending on the nature of the inquiry.

Please understand that inquiries regarding eligibility and transfers should be discussed initially with school personnel – either the principal or the athletic director – before directing any questions to District III or PIAA. District III and PIAA adhere to the eligibility and transfer rules contained in the PIAA Handbook
