# OF TEAMS:		16		
# TO PIAA STATES:		12.571 (12 or 13 TEAMS)		

Note: Because of the mathematical tie with large division the team that places 13th will be out of the state competition by the 2nd place team in large division if that score is higher. If the 13th place team in the small division is higher than the 2nd place team in large division then the 13th place team will qualify for states. Revised: 12/5/1
