Game Supervision/Pre-Game Meeting

The principal or designee **MUST** identify him/herself to the game manager on the field thirty(30) minutes prior to the start of the game and is required to participate in the pre-game meeting conducted by the game manager 10 minutes prior to game time. He/she must remain within the team or spectator area during the game, and report to the playing area after the game, remaining until the teams have left the playing area

First Round Sites

All first round games will be played at the home of the better seeded teams. Teams that have a bye in the first round will host a game in the second round.

If a hosting site is not available, or the site cannot charge admission, or doesn't meet regulations, the school is responsible to secure an acceptable site and notify the Soccer Chairman.

In subsequent rounds, we will *attempt* to play games at neutral sites that are available and geographically convenient for teams involved.

Final decisions will be the responsibility of the Soccer Chairman.

Afternoon games should begin at 4:00 and evening games at 7:00 pm. Game managers at hosting sites will be in contact with teams playing at their site to confirm details. There is no rental fee charged for the facility.

Officials and game help will be paid by the District.

Officials

District III is required to use the double dual system. There will be three (3) officials, each having a whistle and rotating positions each third of the game. Officials will be a neutral crew, all from the same chapter and assigned by the chapter assigner under the direction of the soccer chairman.

Mercy Rule

When one team gains a seven (7) goal differential over its opponent, the clock will continue to run after goals.

Tie Games

National Federation Soccer Rules will be used. In all District 3 playoff games, tie games will be decided by the following method:

1. Two (2) fifteen (15) minute “sudden victory” overtime periods
2. Penalty kicks

Home Team and Game Balls

Throughout the tournament the home team is the one appearing on the top half of the bracket, regardless of the seed. The home team will wear white uniforms.

It is the visiting team's responsibility to be in contact with the home team to make sure that the uniforms are different.

The home team will provide the game balls for the first round games.

District III will provide the game balls for subsequent rounds. Each school is responsible to provide two (2) ball persons to run the sidelines.

Lightning Policy

Proactive Planning

1. Assign staff to monitor local weather conditions before and during events.
2. Develop an evacuation plan, including identification of appropriate nearby shelters.
3. Develop criteria for suspension and resumption of play.
 - a. When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Suspend play and take shelter immediately.
 - b. Thirty-minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to resuming play.
 - c. Any subsequent thunder or lightning after the beginning of the 30-minute count, reset the clock and another 30-minute count should begin.
 - d. No game should be restarted after 90 minutes past the scheduled ending time of the game. For a 7:00 PM game, 10:00 PM is the latest that a game may be restarted.
4. Hold periodic reviews for appropriate personnel.

Team Personnel and Cheerleaders

Twenty-eight (28) persons including players, coaches and other non-playing personnel will be admitted, **as a group**, without a ticket. Cheerleaders, in uniform, and accompanied by their advisor will be admitted free. Each school will receive five complimentary tickets. The form to be completed and returned to the Game Manager can be found on the District III web site.

Banners and Noise Makers

Hand-held signs are not permitted at District III events. Stationary banners and signs with sportsmanlike messages are permitted with the approval of the game manager.

Crowd Control

The principal, along with the game manager and event security, is responsible for crowd control as it pertains to members of his/her school and other spectators from his/her school community.

Ticket Prices

Ticket prices for all rounds of the tournament are \$6 for adults and \$4 for students. The only passes accepted are a white District III pass and a gold Lifetime District III pass.

Radio Fees
