Oct. 25-2, 1974 at Penn State White Course (par 69)			
Note: Ms. Williams is the first PIAA girls golf champion			

PIAA QUALIFIERS BY SCHOOL

Note: From 1974 through 2005, District III girls' golfers qualified for the PIAA Championships directly through their placement at the District III Championships. Beginning in 2006, golfers qualified to states by place at the PIAA East Region Tournament, a one-day, 18-hole qualifier held annually at Golden Oaks Golf Club near Fleetwood. This list of qualifiers reflects that process. Note: The Region Tournament was not conducted in 2020-2021 and 2021-2022 due to coronavirus concerns. Golfers qualified directly to states in those two seasons. The direct qualifying for states from districts will continue going forward. The top 9 Class 3A finishers and the top 4 Class 2A finishers advanced to states in 2023.
